Answer

MINISTER OF DEFENCE(SHRI A.K. ANTONY)

(a) to (c): No,Sir.Out of 81 planned projects,the Life Sciences Group (LSG) Laboratories had undertaken 66 projects (82.46%) during 10th Five Year Plan.The projects were monitored regularly on the basis of Services requirements.Additional 47 unplanned projects were undertaken and those planned projects were dropped which had lost their relevance due to the new emerging global scenario.In the 11th Five Year Plan,the projects have been initiated keeping the futuristic global scenario in mind.
